## House Watch - Vacation Check Request

If you are planning to be away from home for an extended period of time you can place your home on the Moon Township Police house check list. This does not replace other security measures that should take to protect your home. It does inform our officers that you are away and *when possible* they will check the exterior of your residence to ensure that it is secure. The Moon Township Police Department assumes no additional responsibility for the security of your property beyond the normal and reasonable responsibility of a municipal police agency. Vacant homes for sale or remodel can also be placed on the list.

You can fax this request to the Moon Township Police Department @ **412-269-7816**
